Sprint 3 Report, ParkMe, ParkMe Team, 3/3/23

Actions to stop doing:

- Stop focusing on non essential tasks. Focus on the things that will get us to our MVP.
- Showing up to meetings infrequently

Actions to start doing:

- Set strict definition for complete features.
- Show up to meetings more frequently

Actions to keep doing:

- Planning design concepts
- Analyzing potential development blockers and problems.

Work completed/not completed:

Completed Stories:

- I am a Spot Renter and I wish to filter my search for spots available on a certain schedule so that I can plan my parking ahead
- I am a Spot Owner and I want to add details to the spot I have posted, such as an image of the spot, its address, or other descriptors to help make it easier to find for Spot Renters
- I am a user and I want to upload a picture of my spot when creating it to give more details about the spot.
- I am a spot owner and I want to view spots that I have posted
- I am a Spot Renter and I want to find spots based on filtered times that I want to park at.
- I am a user and I want to click on a spot to open up a detailed view of a spot to get more information about it.

Partially Completed:

- I am a user and I want to rent a spot so that I can start parking there.

Not Completed Stories:

- I am a user and I want payment services so that I can make money or pay for spots I want to park at.

Work completion rate:

Total stories completed: 8
Total number of estimated ideal work hour: 32 hours
Total days: 14 days
User stories per day: 0.57
Ideal work hours per day: 2.28 hours
Average user stories per day: 0.57
Average ideal work hours per day: 4.26 hours
